

# Free Early Reading Screenings at Laughlin Children's Center

*Who:* Children in kindergarten to second grade

*What:* The Predictive Assessment of Reading (PAR). This screening will assess your child's letter-word recognition, vocabulary, phonemic awareness and fluency abilities. After the one-on-one screener is administered, you will meet with a specialist and discuss your child's performance and recommended next steps.

*When:* Time slots are available between 10:00-2:30 on the following dates: October 8, November 6, January 21, February 18, March 4 and April 22.

*Where:* Laughlin Children's Center,  
424 Frederick Avenue, Sewickley

*Why:* To find out if your child might experience difficulty in learning to read

Appointments are necessary and can be scheduled by calling **412-741-4087**.
