412-741-4087

424 Frederick Avenue  
Sewickley, PA

Concerned about your child's hand writing? This camp is led by an Occupational Therapist utilizing aspects of the Handwriting Without Tears (HWT) program as well as the Size Matters Handwriting Program.

Fun activities and handwriting practice will build fine and visual motor skills leading to improved letter formation, placement, and size.

Each child will receive a HWT workbook to take home.
